🔗 portfolio: cenanulker.com

Experienced UI/UX Designer focused on delivering exceptional user experiences in challenging environments. Skilled in establishing design guidelines, collaborating with cross-functional teams, and using industry-standard tools like Figma and Adobe XD. Committed to driving user satisfaction through user-centered design, aiming to increase user engagement and optimize business outcomes.

🎓 Education

Industrial Engineering, Yildiz Technical University

2018 – 2024 | Istanbul, Türkiye

Industrial engineering education has equipped me with a strong foundation in problem-solving, process optimization, and human-centered design, enabling me to approach UI/UX challenges with analytical thinking and efficiency-driven solutions.

📁 Professional Experience
